STUDENT SHOWCASE

Do your students produce showcase quality work such as solar cars? Solar boats? Robotics? New classes with new equipment such as fire trucks, ambulances, etc. ? **ANY** high quality student project can be displayed. Share your successes with other ROP's, Districts, State Legislators, etc.

You must provide display items and at least 2 students and a teacher to man the display. You bring it, and you take it back home. A table may be provided if you notify us in advance.

Please call or email Pati Carroll with details of your display project at (562) 860-1927 or pcarroll@southeastrop.org by Feb. 28th

Awards will be issued for the top 3 presentations, judged by the Spring In-Service committee members.
